

Product Name: Magnetic Parts Tray

Item Number: MPT6PR, MPT3PR

Industry: Industrial, automotive, home

Description: These magnetic parts trays come in either 3" or 6" and are steel with a strong scratch proof coated ceramic magnet on the back. Decorated with a 4-color process domed decal.

Intended Use: Holds loose screws, bolts, nuts, paper clips, and other metal pieces. Can be used on or under a car during work.

Comments: Functional and portable, these magnetic parts trays are great for mechanics, warehouses, industrial companies, and automotive company gifts. Brushed steel background on domed decal is a popular option.
